

SWWT Topical Groups

From SWWT Meeting 12:

1. Fundamental Research (e.g. solar, S-T, including future missions and instrumentation)
2. Ground Effects (GIC, prospecting, tourism)
3. Atmospheric Effects (incl. Drag)
4. Ionospheric Effects
5. Spacecraft & Aircraft Environments
6. Education & Outreach, and Emerging Markets
7. Programmatic

SWWT Topical Groups

1. Fundamental Research (e.g. solar, S-T, including future missions and instrumentation), [Spokesperson J. Liliensten](#)
2. Ground Effects (GIC, prospecting), [Spokesperson R. Pirjola](#)
3. Atmospheric Effects (incl. Drag), [Spokesperson A. Blusson](#)
4. Ionospheric Effects, [Spokesperson Lj Cander](#)
5. Spacecraft & Aircraft Environments, (interim-) [Spokesperson B. Jones](#)
6. Education, Outreach, and Emerging Markets, [Spokesperson N. Crosby](#)
7. Programmatic, [Spokesperson F. Lefevre](#)

Meetings to date.

- Ground Effects group met 3^d Nov '03
 - Also joint meeting of the “ground effects/GIC” related SDAs June '03.
- Ionospheric Effects group met 4th Nov. '03
 - Also joint meeting of “ionospheric effects” SDAs 23-24th Sept '03
- Others.....

New Groups?

- Currently under “Education, Outreach and Emerging Markets:
 - Space weather effects on weather and climate
 - Space weather relation to life sciences
 - Space weather & Astrobiology
 - Commercial interests (incl. Insurance industry)
 - Others....

What's in a name...

1. Fundamental Research (e.g. solar, S-T, including future missions and instrumentation), [Spokesperson J. Liliensten](#)
2. Ground Effects (GIC, prospecting), [Spokesperson R. Pirjola](#)
3. Atmospheric Effects (incl. Drag), [Spokesperson A. Blusson](#)
4. Ionospheric Effects, [Spokesperson Lj Cander](#)
5. Spacecraft & Aircraft Environments, (interim-) [Spokesperson B. Jones](#)
6. Education, Outreach, and Emerging Markets, [Spokesperson N. Crosby](#)
7. Programmatic, [Spokesperson F. Lefevre](#)
